

Rabies & HPAI Testing Specimen Submission: Domestic Animals Without Human/Animal Rabies Exposure

Domestic Animals Without Human/Animal Rabies Exposure & Needs HPAI Testing

Option 1

Animal Owners should be advised to contact their Veterinarian. Veterinarian can contact private lab to make arrangements for HPAI testing.

Option 2

If the animal requires necropsy or other ancillary testing, arrangements can be made to send the whole body to the University of Guelph's Animal Health Lab for necropsy, HPAI and any other ancillary testing. Transportation, HPAI testing and other ancillary testing would be at the expense of the animal owner. Veterinarians should call AHL ahead of time to make arrangements for testing at:

519-824-4120 ext. 54530
