

Attending an OAVT Board of Directors Meeting

Members of the OAVT are invited to observe or participate in any of the Association's scheduled Board of Directors meetings throughout the year. Whether you'd like to attend purely for interest's sake, or you have a request you'd like the Board to consider, you can send an email to the OAVT's Executive Director at executivedirector@oavt.org. You will then receive either emailed instructions for how to attend a meeting, or your request will be shared with the Board and you'll be invited to attend and participate. Requests to attend must be submitted at least ten days prior to the scheduled Board meeting.

For a list of upcoming Board meetings, sign in to your [Member Portal](#), go to the Resource Library, and look for the Board Meeting Minutes folder. In there, you'll find the 2025-2026 Board Meeting Dates document.
