Introduction

Refunds with BudgetAir depend mainly on airline rules, not just the booking platform. Some tickets are refundable, while others are strictly non-refundable.

Step-by-Step: How Refunds Work

Refund eligibility depends on ticket type (Step 1)

Refundable tickets allow cancellations with money back. Non-refundable tickets may only offer credits or no refund.

Airline policies control refunds (Step 2)

BudgetAir follows the airline's cancellation and refund policy. If the airline approves, BudgetAir processes the refund.
